

Dear Parents:

As most of you know, when your child becomes a student of Trinity High School, it is an expectation for all parents to work bingo. Bingo is the school's biggest fundraiser and generates normally over \$100,000 a year. This fundraiser is needed and we cannot do without it. The dollars earned from bingo help us to pay teachers' and coaches' salaries as well as various bills. Without the bingo fundraiser, parents would be expected to pay an additional \$1,000 per student each year.

Every family at Trinity is asked to work bingo one night each month to help with this fundraiser. If you cannot work your scheduled night each month, then you will be expected to find a sub for the night. I will share the sub list with you at a later time. Incoming freshmen families need to begin working bingo in the month of May as our senior parents will be finishing up their obligation to the school.

Please take the opportunity to pick a night that works with your schedule. I will do my best to accommodate your request. Please mark your selection and send to the school office in the next few days. If I do not receive your form, I will add you to the schedule where needed. I'll let you know in April to which team you are assigned. Please mark your calendar of this monthly obligation. The only days we do not work bingo are Thanksgiving Day and Christmas Eve/Day.
