

March 2018

Greetings:

Pre-registration for the 2018-2019 school year is underway! Trinity High School has so much to offer your child, and we hope that you are prayerfully considering our school. Pre-registering students allows us the opportunity to plan for the upcoming school year.

Trinity High School will honor all locked-in rates for returning sophomores, juniors, and seniors. Even though we are not offering a locked-in tuition rate this year, the 2018-2019 tuition rate for incoming freshman, or for any new student, has not increased from the previous year.

All families have the option to choose how they pay for tuition at Trinity High School. You must select one of the following payment options:

- **Smart Tuition** - Your family can pay for tuition by using Smart Tuition to process payments. At registration, you will complete the form to draft monthly payments directly from your bank account, or your family can also choose to be billed by Smart Tuition.
- **Paying in Advance** - Your family can pay for tuition in full and receive a 5% discount if paid by **July 1, 2018**.

If you would like to pre-register your child for Trinity High School's 2018 – 2019 school year, please complete the enclosed form and return it to the office by **March 31, 2018**.

Please note the attached tuition rates for 2018-2019. I sincerely hope you will choose Trinity High School as your school. Serving our student families is an honor. Please contact me if you have any questions or concerns.

Blessings to you and yours,

Anna McDaniel

Payment Options- At Trinity High School, our families pay for tuition expenses through a program known as Smart Tuition. This program allows families to have monthly payments drafted automatically on a checking, savings, or debit/credit card account. Families may choose to be billed monthly through the Smart Tuition program. Families may choose to pay in advance, removing them from the Smart Tuition payment program.

Tuition Assistance- Our tuition assistance dollars are made available to those in need through the gracious contributions of our parishioners and donors. **ALL APPLICATIONS MUST BE SUBMITTED ONLINE BY MARCH 31, 2018.** These funds are limited, and we urge you to apply online if there is a need. Please note, there is a \$27 non-refundable fee for every application. We use a third party, Facts Grant & Aid Assessment, an outside agency, to process your application, due to KHSAA standards and to add a layer of financial privacy for families. This company takes the guesswork out of financial aid assessment, helping our school award aid to only those most in need. Please go to <https://online.factsmgt.com/signin/3WLSZ> to apply. If your family qualifies for tuition assistance, you will be notified before registration on **Sunday, July 29, 2018.**
