

The Trinity Message

TRINITY HIGH SCHOOL • ALUMNI NEWSLETTER • SUMMER 2017

FROM OUR PRINCIPAL

We are Trinity! Our students, staff, and community hear this phrase often. This phrase means you are the reason this school exists. This is YOUR school! I truly hope each of you feels the same sense of ownership of and pride in Trinity as I do. I have been a member of St. Mary of the Woods Parish my entire life. I am the daughter of Majella Mills and the Owen Mills, and am married to Joe Hernandez. Joe and I have three children: Nathan, Will, and Isaac, all students of St. Mary of the Woods School.

I am a proud 1994 graduate of Trinity High School. I obtained a bachelor's degree in biological sciences from the University of Missouri-Rolla in 1999 and a master's degree in health and human performance from Austin Peay State University in 2000. I taught and coached basketball at Trinity High School from 2000-2005. I taught at Owensboro High School from 2005-2016, where I coached for nine years. I spent 16 years teaching, and I have a passion for education. In 2015, I received my Education Specialist Degree for Instructional Leadership from the University of the Cumberlands.

Currently, I am the Principal of St. Mary of the Woods School, and I look forward to serving Trinity High School in this same capacity next year. These schools mean so much to me and I am excited to work with each of you in the future! Our schools will prosper because of your belief and support. Thank you for all you do! We are Trinity!

Blessings to you and yours,

Emily Hernandez

Celebrating 50 Years

"I firmly believe Catholic school education stays with you forever."

MIKE HORN
Class of '68

"I cherish my years at Trinity. In reflection, I am compelled to acknowledge Father Lou White, senior religion teacher and guidance counselor 50 years ago. There is no substitute for a Catholic education."

JUDI BOARMAN DAY
Class of '68

"Trinity High School has blessed me with amazing people. I know if I ever need help, I can always come back to ask one of my classmates or teachers for guidance. Everyone here wants the best for you, and I think that is what makes it such a special place."

ERIC HOWARD
Class of '17

"Trinity has provided me with a second family that has pushed me to do my best, not only in academics, but in community service, in my faith, and in soft skills. Everybody should consider going to Trinity because the faculty, staff, and students truly care about each other and want everyone to benefit in all aspects of life."

FROM OUR ASSISTANT PRINCIPAL

Trinity High School has had a direct and positive influence on the person I am today. For that, I will be forever grateful. Trinity has served me well, and I look forward to seeing the role it will play for all of its students. I was born and raised in Whitesville and have belonged to St.

Mary of the Woods Parish since baptism. I am the son of Kenny and Carleen Morris. I am married to Sarah McDaniel (THS Class of 2004), and we have a daughter named Ellis. I am a 2006 graduate of Trinity High School. I earned a bachelor's degree in biology, with a minor in chemistry, from Brescia University in 2010, and a master's degree in teaching from Oakland City University in 2012. I am in the process of earning a Rank I certification in administration from the University of the Cumberland.

Currently, I serve Trinity High School as a science teacher and the Dean of Students. I am most excited about the new role I will hold next year as Assistant Principal for both St.

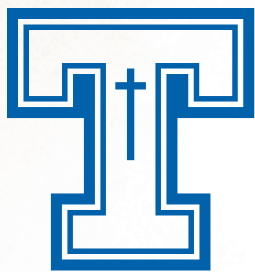

Mary of the Woods School and Trinity High School. Our Catholic schools provide our students with a solid base in faith and academics. I feel blessed to have had the opportunity to graduate from St. Mary of the Woods School and Trinity High School, and enjoy working to ensure that more young people are able to experience a Catholic education.

Concerned you have not received your call or letter from the Phonathon Campaign?

We thought we would do something a little different this year and roll out a new and exciting alumni fundraiser!

You are Trinity! The students who leave this school are the living testimonies of what Trinity has to offer its students. Trinity High School is a special place. It is a place of learning, one in which students create lifelong relationships, play sports, and build lasting memories. Our Catholic high school prepares its students for the world and teaches them about the love Christ gives us all. We are exceptionally proud of each of you and glad to call you one of our own.

This year we are kicking off the Trinity High School Give Back Campaign. We are asking all alumni to prayerfully consider a gift to this worthwhile endeavor. All dollars will be allocated toward providing the Trinity experience to students who otherwise could not afford to attend the school. Trinity turns 50 this year! As our way of giving back, we are challenging each graduate class to raise enough money to give a student a chance to attend Trinity High School. Since Trinity turns 50 this year, how awesome would it be if we could raise enough money to allow 50 students the experience of what it means to be a Trinity alum? Tuition is \$5,750 per student. We will keep a running total of all donations and will keep you informed of which class is leading via the school's Facebook page.

*The reason I give is

take it with you.*
