

BETH PAYNE MCNULTY

CLASS OF 2001

"After graduating from Trinity in 2001, I moved on to the University of Louisville and graduated Summa Cum Laude as an Honors Scholar with a Bachelor of Arts degree in Biology in 2005. I stayed at the University of Louisville for medical school, where I was elected to the Alpha Omega Alpha Honor Society and received the Omicron Delta Kappa Outstanding Graduating Senior Award in 2009. I then completed a five year Otolaryngology Head and Neck Surgery (ENT) residency at UofL in 2014. I went on to complete a two year fellowship in Otolaryngology, Neurotology, and Skull Base Surgery at the Michigan Ear Institute in 2016. After fellowship, I accepted a position as an Assistant Professor with the Department of Otolaryngology Head and Neck Surgery at the University Of Kentucky College Of Medicine. I specialize in pediatric and adult hearing loss, tinnitus, dizziness, chronic ear infections, and skull base tumors. I serve as the medical student clerkship director and mentor residents training to be Ear, Nose, and Throat surgeons. While at Trinity, I participated in the World Youth Day 2000 trip to Rome. That experience ignited a fire in me to do big things. I am thankful for my relationships with Fr. Brian and Fr. Powers that developed as a result of that trip. Trinity taught me what is truly important in life: faith, family, and friends- and for that I am forever grateful."
